VOLUNTEERS NEEDED FOR SURVEY OF MOBILITY DEVICE SAFETY AT RAILWAY CROSSINGS

If you use a mobility device and have ten minutes to complete an on-line survey, you can help to improve wheelchair safety at railway crossings.

You can help if you:

- Use a mobility device like a wheelchair, mobility scooter, walking frame or walking stick.
- Are over 18 years old.

What do I need to do?

- Complete an on-line survey by going to <https://www.surveylegend.com/s/2a35> or scan this QR code:

How long will it take?

- It should take less than 10 minutes to complete the survey.

What if I can't access the on-line survey?

- Please contact us on 08 8313 0917 and we will complete the survey over the phone.

How will the survey help?

- The survey is part of research that will help railway authorities to construct safer pedestrian level crossings.

What's in it for me?

- After completing the survey, you can opt to enter a prize draw for one of three \$100 Myer vouchers.

The draw will be random and will take place on 4th June 2021. Winners will be listed on the website:
