An easy way to find disability services and support

The Disability Gateway can connect you to the support you need such as financial, housing, health, employment, transport, and everyday living supports.

disabilitygateway.gov.au

Search the website to find information you can trust and support services where you live.

1800 643 787

Monday to Friday, 8am to 8pm AEST/AEDT

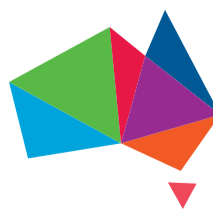

Call the phone line to speak to a real person who can guide you to relevant information and provide one-on-one support to connect you to services in your area.

facebook.com/disabilitygateway

Follow Disability Gateway on Facebook for regular disability updates and information.
